

PENDER ISLAND LIBRARY - ART EXHIBITOR'S APPLICATION PACKAGE

The Pender Island Public Library (PIPL) supports art exhibits which enhance community cultural and artistic activities, nourish intellectual, aesthetic and creative growth, and encourage individuals who contribute to the extension of the arts.

Selection Process

The Art Exhibit Committee (AEC) reviews and selects all exhibits, seeking to present and promote diverse visual arts exhibitions by local artists. Residence on the Pender Islands is required. The AEC will consider a wide range of artistic expression in deciding on potential exhibitors. The Library exhibit space is available to groups and individuals on an equitable basis. However, in deciding the suitability of any work, the AEC is particularly mindful that the display area is used by all segments of the community and all age groups.

The following will be considered when selecting or approving exhibits, although not all exhibits will meet all criteria: subject, technique, concept and style are suitable for intended audience; artistic expression; appropriateness to special events, holidays, etc.; historical or regional relevance; relation to other events or exhibits in the community; ease of installation; representation of an influential movement, genre, trend or national culture; significance of the contributor; attention of viewers and the public.

Applications will be processed on an annual basis, with scheduling priority given to exhibitors who have not previously presented an exhibit. The AEC reserves the right to select individual works or may provide an opportunity for a one-person show. If a submission is not selected for an exhibit, artists are invited to resubmit new work after one (1) year. Exhibit space cannot be used for advertising for commercial enterprises or political candidates.

Application Procedure

Applicants must submit the attached form: APPLICATION TO EXHIBIT ART and EXHIBITOR RELEASE AND INDEMNIFICATION AGREEMENT. Along with the application, artists should submit photographic representation of their work. Digital files are preferred but transparencies or prints will also be accepted. After initial review, the Committee may request that the artist submit actual samples. Artists should submit no less than five (5) and no more than ten (10) images as per the following guidelines:

- Digital images on a CD, DVD or Flash Drive. Minimum size: 2000x3000 pixels. Saved as low compression .jpg file.
- Transparencies: Viewing side and up direction marked on slide. In protective sleeve or slide box.
- Prints: Minimum of 20x25cm (8x10in.), in protective sleeves.

Exhibition Procedure

Successful applicants will be contacted and within two weeks of being notified, and the artist must contact the AEC to confirm possible exhibit dates. The AEC will schedule the exhibit of selected works and determine the date and duration of an exhibit, but will attempt to accommodate an artist. The length of exhibition will be a minimum of one (1) month and up to a maximum of three (3) months. The exhibitor is responsible for the installation and dismantling of the exhibit as scheduled with the AEC. The exhibit space must be left in satisfactory condition.

All art, whether 2 or 3 dimensional, must be suitably presented so that it is safe and secure (e.g. all frames and mounting arrangements must be securely constructed). Work that is fragile in nature or whose framing or display arrangement is of questionable durability may be rejected. 2D works shall be in a finished state (either framed or with a suitable edge) complete with a mechanism by which they may be hung from the picture rails (e.g. hanging wire, fish-line fastened to the work by eye-hooks). 3D works that are small pieces will be displayed in the Library's display cabinet. Larger pieces, upon approval, may be displayed as freestanding objects. All works are to be deemed safe for display by the AEC.

The exhibit area is open to the public only during the regular open hours of the Library. Interested artists may arrange for a reception, at their own expense, provided appropriate space is available and the event is open to the public. The Library does not provide staff to serve as attendants during an exhibit. The provision of an attendant (if desired) is the responsibility of the exhibitor.

Participating artists are required to provide one (1) poster (size: 8.5x11 inches) for the Library bulletin board with contact information. For each work, the artist is to provide a display card or title label indicating the name of the work, artist's name and medium. If desired, artists can also provide a brief biography, an artist's statement, and a complete list of artworks installed.

Liability

The exhibitor must sign the *Exhibitor Release and Indemnification Agreement* form. The exhibitor assumes total responsibility for the transportation of all work to and from the Library. Exhibitors using the space assume liability for damages to Library property resulting from said usage, as assessed by the Library. If the Library must dismantle an exhibit, the Library is not responsible for any damages. The Library will dispose of abandoned exhibit materials after reasonable effort has been made to contact the exhibitor.

The views in the art works exhibited are those of the artists and are not necessarily those of the AEC or the Library.

Sales of Art

Works of art exhibited in the Library are for display purposes only. If someone wishes to purchase an artwork, they must contact the artist directly. The Library requests that artwork remain on view for an exhibition's duration but, if a piece is removed, another may replace it.
