**Pauline Le Bel,**  
of Bowen Island, is  
a singer-songwriter,  
award-winning novelist  
and Emmy-nominated  
screenwriter. Today, she  
is the creative director  
of **Knowing Our Place**,  
a reconciliation initiative.

## Whale in the Door

Pauline Le Bel embarks on  
a journey of discovery to find  
out what is special about  
Howe Sound – its wild nature,  
its people, and its cultural and  
spiritual revivals. *Whale in  
the Door* invites readers into  
a story of biological resilience  
as a community struggles to  
shape a vision for its future.
