3. GOVERNANCE POLICIES

3.1 Governance Principles

The Pender Island Public Library Association (“Library”) operates under the provisions of the [British Columbia Library Act](#). The Library Board, constituted according to the terms of the *BC Library Act* (*Legislative Library Act RSBC*, 1996, C260) and consisting of members appointed by the membership, governs the Library. As a governing body, the Board is to speak with one voice and authority rests with the entire Board. Authority does not rest with individual trustees except as conferred by the Board for specific purposes. Any public statement which relates to library policy must be approved by the Board. The Board commits to these guiding principles in order to ensure careful stewardship of the public trust.

In order to reflect the diversity of the community the Library serves, the Board aspires to a balanced mix of representation, as it relates to skill sets, leadership styles, and diversity of thought and Trustee background. The number of trustees and their terms are mandated by the BC Library Act, which allows terms of 2 years, eligibility for re-election or reappointment, and a limit of serving set at 8 consecutive years. The Library Board must elect a chairperson and a vice-chairperson annually at the first meeting after the AGM.

As a Board, we respect the culture, worldview, and knowledge of the Coast Salish, including W̱SÁNEĆ and SENĆOTEN speaking people, who’s traditional, unceded lands we inhabit. We will actively seek opportunities to connect with the W̱SÁNEĆ Nation to learn and incorporate their history and values within our Board and Library practices. The Board recognizes that ongoing learning is essential to understanding and implementing Calls to Action recommended in reports by the Truth & Reconciliation Commission of Canada.

The Board commits to principles and activities that promote an equitable, diverse, and inclusive environment (EDI) which respects the inherent dignity of all community members. The Board directs the Library Director to incorporate EDI principles throughout operational policies and procedures.

3.2 Role of the Board

The Board is the public trust for the Library. The Board is responsible for creating a mission and vision of library service for the community by articulating values and principles, setting goals, developing effective governance policy, monitoring Library performance and meeting provincial standards. The Board’s ongoing activity is focused on governance issues rather than operational issues.

The Board shall:

- plan strategically for the future of the Library
- develop, monitor and evaluate the delivery of the Strategic Plan
- maintain legal and ethical integrity in carrying out its duties
- act in a fiscally responsible manner
- monitor compliance with policy by reports from the Library Director, Board Committees, and outside individuals or agencies

- advocate for community support for the library through raising the profile and awareness of the value of the Library
- carry out other responsibilities as specified by the *BC Library Act*

- carry out the responsibilities associated with the Southern Gulf Islands Library Commission (SGILC)
- oversee Board Committees
- ensure the continuity of its governance capability through Board education and development
- be responsible for developing a process to oversee the performance and contractual compensation/benefits of the Library Director
- approve operational policies as developed by the Library Director

The Board writes governing policies which define:

- the Vision, Mission, Values and Purpose of the Library
- the governance process (how the Board conceives, carries out and monitors its responsibilities)
- the Board-Library Director relationship

The Board's officers will be the Chairperson and Vice-Chairperson.

The Library Director is an ex-officio member of the Board.

3.2.1 Regular and Special Board Meetings

- The Board of Trustees must meet at regular intervals at least 6 times a year.
- A majority of all Trustees of the Board is a quorum.
- The chair or any two Trustees may call a special meeting of the Library Board by notifying, in writing, the other Trustees at least two days before the meeting and stating the purpose of the meeting. (BC Library Act)

A territorial acknowledgement is a formal statement that recognizes the unique and enduring relationship that exists between Indigenous Peoples and their traditional territories. This acknowledgement is an essential element of establishing healthy, reciprocal relations and is key to reconciliation.

The territorial acknowledgement, crafted at the local level and continuously evolving, will be used by the Board Chair, the Library Director, or designate at the start of public meetings, celebrations, or other official library events as deemed appropriate.

3.2.2 Regular Board Meetings Attendance

Consistent attendance by Board Trustees at monthly regular Board meetings is required. Notification to the Board Chairperson of attendance (yes or no) is expected in response to the monthly email that accompanies the Board meeting package.

If three consecutive meetings are missed without notification to and approval of the Board Chairperson, then removal from the Board may occur. (*BC Library Act*)

3.2.3 Consent Resolutions Including Email Motions

Motions will be primarily made in the context of a scheduled regular Board meeting. Occasionally, a motion may be required between Board meetings when routine approval is required for the Library Director to complete a necessary administrative task or the Board needs approval to carry out a necessary function in a timely manner. This type of motion is most suitable for an item that does not require additional information and discussion. The Board Chair will distribute the motion, obtain a

second, collect and tabulate the email votes and declare the motion carried (or not). The motion will be entered into the minutes of the next regular Board meeting.

3.3 Role of the Board Chairperson

- does not have a vote on Board motions. In the event of a tie, the Chair may cast the deciding vote, or abstain to bring about further discussion

- has no authority to make decisions beyond policies created by the Board
- individually, has no authority to supervise or direct the Library Director except as expressly directed by the Board as a whole

3.5 Role of Board Committees

The Board will operate as a committee-of-the-whole, and will also have standing committees. It may designate task groups, committees or individuals on an *ad-hoc* basis, to help carry out its governance subject to the direction of the Bylaws. This policy applies only to tasks delegated by Board action and not to those delegated under the authority of the Library Director. Standing committees include: Finance, Board Development, Policy, and Occupational Health & Safety. Special committees may be formed for a specific, time-limited purpose as determined by the Board. Each Trustee must serve on at least one Board committee. Each Committee will be composed of at least two members who are members of the Association, and at least one member will be a Trustee. Each Committee will meet at least two times per year and meetings will have recorded meeting notes.

3.5.1 Finance Committee

The committee is responsible for maintaining the Library's Policy Manual. The committee shall serve in an advisory capacity to the Library Director for the development of operational policies.

- Will conduct themselves with a professional level of courtesy, respect and objectivity, represent the Board in a positive light, and take no private action that will compromise the Board and its decisions.
- Will represent loyalty to the interests of the Library. This accountability supersedes the interest of any Board member as an individual consumer of library services, or as a member of another community organization.
- Will take reasonable steps to keep informed of:
 - the regular business of the Board including reports and correspondence;
 - the contents of the Library's Strategic Plan;
 - the Library's Bylaws and Policies;

A Board Trustee must not, either during or following the termination of their term on the Board, disclose confidential information, either orally or in the form of written material, to any person unless authorized by the Chair of

the Board or the Chair of the Board's delegate. Board-related documents and records must be maintained by Board Trustees in a manner that respects confidentiality where appropriate.

- Will refrain from intentional and active lobbying of other Board Trustees outside of Board meetings to avoid creating factions and limiting free and open discussion.
- Will not participate in the selection process for a paid library position when the applicant is a relative. The selection process includes screening applications, interviews and reference checking. No special advantage will be given in hiring relatives of Library Board Trustees or employees, and all regular prospective employment opportunities will be made available to any interested candidate. Relatives of Library Board Trustees and of Library employees may be appointed to the paid staff with the exception of the Library Director position.

Trustees who contravene the Code of Ethics and Standards of Conduct may face disciplinary action including suspension and dismissal, as determined by the Board.

3.7 Conflict of Interest

Conflict of interest arises when Board Trustees' personal interests conflict with their duties and responsibilities as Library Trustees. A conflict of interest can exist whether or not a pecuniary advantage exists.
